La qualità di questo prodotto è stata migliorata grazie ad un trattamento superficiale che le protegge dall'usura e ne mantiene la brillantezza a lungo. Si raccomanda di non utilizzare alcun tipo di sostanza o detergente per la pulizia, ma solo un panno morbido di cotone o pelle inumidito di acqua tiepida.

The quality of this product has been improved thanks to a surface treatment which protects them from wear and tear and maintains their brilliance for a long time. It's recommended not to use any type of substance or detergent to clean, but only a soft cotton or leather cloth moistened with tepid water.
